**APPLICATION OF WABASH VALLEY
POWER ASSOCIATION, INC., FOR
APPROVAL OF AN SCR ADJUSTMENT
FACTOR CHARGE FOR ELECTRIC SERVICE
TO ITS MEMBERS**

CAUSE NO. 42322-SCR1

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this Cause:

On November 6, 2002, Wabash Valley Power Association, Inc., ("Wabash Valley" or "Petitioner") filed its Verified Application with the Indiana Utility Regulatory Commission requesting approval of an SCR Adjustment Factor as authorized in Cause Nos. 42189/42174 (*Ind. Util. Reg. Comm'n*, August 7, 2002) for electric service to be applicable during the billing cycles of January, February, March, April, May, and June, 2003. The Commission issued an Order in this Cause on December 19, 2002.

In consolidated Cause Nos. 42189/42174, the Commission authorized Wabash Valley to charge its members separately for interest and principal costs associated with the Gibson 5 Qualified Pollution Control Property during construction and after construction until included in Wabash Valley's base rates, and to track, on a semi-annual basis, the changes (increases and decreases) in those costs and to apply the cost charge to all of the rates approved by the Commission on December 9, 1998, in Cause No. 41118.

The Presiding Officer recognizes that the ongoing review requested by the Petitioner will necessitate periodic filings relating to environmental cost issues over an extended period of time. In order for the Commission to effectively track the requests; to ensure the same designation is in place for each utility that has requested ongoing review; and to conserve the Commission's cause numbers, the Presiding Officers have determined that subsequent filings relating to ongoing review of the issues in this Cause should continue to utilize the 42322 Cause Number, but should also include a designation for *Environmental Cost Review* ("ECR"). Accordingly, as the next filing to be made by Wabash Valley will be its second request for ongoing review, it should be filed as 42322 ECR 2. Subsequent filings on these issues should continue to utilize this format.

IT IS SO ORDERED.
